

HEBRON REDEVELOPMENT COMMISSION
MINUTES FROM FEBRUARY 16, 2008 WORKSHOP

President Shawn Ensign opened the workshop for the Hebron Redevelopment Commission at 9:00 a.m. on February 16, 2008. In attendance were Shawn Ensign, Mike Reick, Dick Bell, Michael Mantai, Jim Mooney, and Council Liaison Donald Ensign. The following business was conducted. *Discussion.*

Shawn Ensign had recently spoken with Ted Fitzgerald to discuss the next phase of the main street road construction. Ted reported that construction should begin around March 15, and that the first section to be done might be the area between Alyea Street and the corner of state road 231 and state road 2. *Discussion.*

Shawn Ensign reported that the Chamber of Commerce intends to have the HRC attend their April meeting to discuss the upcoming main street road construction. *Discussion.*

Mike Reick stated that perhaps the committee should look at land south of town to become the future site of a business park. *Discussion.*

Incentive Policy

Jim Mooney was there to walk the committee through a previous draft of the policy, and discuss changes that could be made. *Discussion.*

During discussion changes were noted and will be available for review. Revisions to be made to original incentive draft will be done by Jim Mooney.

The Town of Hebron is not financially responsible for the Hebron Redevelopment Committee Incentive Policy.
